

Support the SPCA at York Revolution Games!

Now you can support our animals while watching your favorite team! Here's how you can support the SPCA during the 2010 York Revolution season:

Purchase Lawn Seats. For every lawn seat purchased throughout the season, the Revolution will donate \$2 to the SPCA! Lawn seats are a terrific value and provide a great view of the game! We'd love to see the lawn seating area sold out. Please "Feed the Lawn!" to help support the animals in our care!

Visit Our Concourse Table. The SPCA has a table in the concourse area near the front gate where donations can be made and SPCA merchandise is available for purchase. One can also become an SPCA member, sponsor a pet, or honor a pet or loved one by purchasing a memorial brick!

Rent a Suite. Through the SPCA's "Suites for Treats" promotion, one can rent a game suite through the SPCA of York Co. Suite rentals include a complete food package and 25 tickets. A portion of the rental proceeds will benefit the SPCA!

Bid on Jerseys. The Revolution will don special SPCA blue jerseys for several "Bark in the Park" games this season. At the conclusion of the final "Bark in the Park" game on Sunday, Sept. 5, these game worn jerseys will be autographed and auctioned off to the highest bidders! All proceeds will benefit the SPCA.

Participate in the "Post Game Pitch!" Purchase tennis balls to throw at the SPCA's "dog bowl" target following each Revolution game. If your ball goes into the bowl, you could win up to \$500! Balls can be purchased at the game for \$1 each or 6 balls for \$5, with all proceeds benefitting the SPCA of York Co!

Attend "Ties and Tails" and "Petfest York." These exciting fundraising events will be held at Sovereign Bank Stadium on Sept. 18 and 25. Your support and participation is welcomed! Visit www.ycspca.org to learn more. Please help spread the word!
